

I hope you enjoy using these Down Syndrome Awareness mini candy wrappers. A perfect way to share the love and awareness to all around you!

INSTRUCTIONS: These are super easy to assemble. Promise :)
Print out as many wrappers and cut out. I like to use a glossy or photo paper but any paper will do. I specifically designed these wrappers to fit a Hershey Miniature Chocolate Candy Bar. Take the wrapper and place around the mini candy bar and use a piece of tape or a non-toxic glue stick to secure. That's it! Enjoy!
